**Familiar faces** - Jennifer Elias greeted her former Principal from Sundre, Ray Hoppins, as she dropped her four children off at school. Ray, current Associate Superintendent of People Services, joined the COLT team in welcoming students, staff and families at Innisfail schools.

**Big hugs** - Friendly smiles, along with a bit of rain, greeted students at Innisfail schools, as they said farewell to summer and hello to a new year of learning together.

**Back at it** - Innisfail High students were greeted at the student parking entrance by Superintendent Kurt Sacher.

**Gearing Up** - Staff across Chinook's Edge spent considerable time over the last week meeting, planning and preparing for the return of our VIPs - our students!
