

School Bus Safety poster contest winners!

Just before Winter Break, Transportation Director Corinne Varga visited schools to congratulate students for their winning contest entries in the division's annual School Bus Safety poster contest. Each student received \$25 and a framed copy of their poster. Thanks to everyone who entered and shared the important message of bus safety!

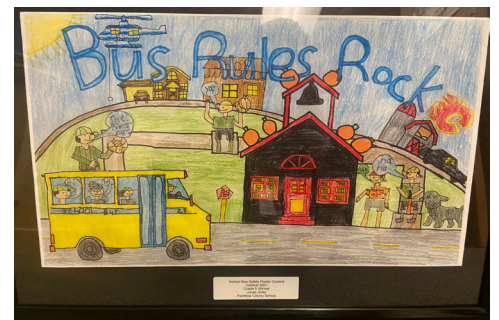

Bryan Oszli, Grade 3 from École John Wilson Elementary School.

Pyper Cummins, Grade 4 from École John Wilson Elementary School.

Bridget Dallison, Grade 6 from Innisfail Middle School. Bridget also won the draw for a bus charter for her class, when restrictions allow for an area outing.

Leah (Grade 1), Matthew (Grade 2) and Jonas (Grade 5), from Rainbow Colony School.

A note of thanks

We very much appreciate your patience and flexibility, as we begin the new year with our students on an unanticipated extension of their break. We know you have become accustomed to the ebb and flow of change that the pandemic creates, and we thank you for taking this week to prepare for the return of our students on January 10.

We know every one of us is doing our best to move forward through another shift in the sand, including being as positive as possible. We've made many shifts in the pandemic before and we'll do it again. And we'll do it together.

*Wishing you and your loved ones a happy and healthy 2022!
