

## Welcoming, Caring, Respectful and Safe Learning Environments

As part of their regular monthly meeting last week, Principals and Vice Principals welcomed guests from the Alberta Teachers' Association to present on Gender, Identity and Pronouns at an online session.

The PRISM presentation (Professionals Respecting Individual Sexual and Gender Minorities) was requested by administrators, who want to strengthen their ability to support students who may be navigating their own personal journey.

Chinook's Edge values inclusivity and works hard to provide a welcoming and safe environment for all students.

### Passing the torch!

After nearly 30 years as Treasurer, Susan Roy (left) has handed the role to new division Treasurer, Shauna Kaiser. Shauna is also very familiar to Chinook's Edge, as she has been influential on the Finance team for over 16 years. Susan thought hard about which item might symbolize what is being entrusted in the handover. In the end, she chose the COLT team's list of Team Norms, knowing that on top of the fiscal responsibilities, the Chinook's Edge Treasurer is also an essential part of the Central Office Leadership Team. Welcome to your new role, Shauna!

## Ready, Set, Go!

**Online Kindergarten  
Registration  
for the 2022-2023  
school year is open!**

## Welcome to Kindergarten!

Online Kindergarten registration opens today, January 10, and a full ad campaign gets underway this week. Watch for ads in local newspapers, area radio stations, and Facebook.

At Chinook's Edge School Division, we believe the journey of life-long learning begins young. We help students embrace learning early, for benefits that last a lifetime!
