MEDICATION ADMINISTRATION AND RELEASE FORM

I, _____ (parent/guardian's name) parent/guardian of _____ (student's name) permit the medicines outlined below to be administered to my child at the appropriate time and dosage as also detailed below.

I also permit the Exchange Program Leader or another willing adult supervisor to properly and securely store my child's medication during the off-site activity and place the Exchange Program Leader or another willing adult supervisor in charge of maintaining these medicines and back-up medicines for the duration of the program. However, I am aware that, under extraordinary circumstances, the medicines may become lost, stolen or damaged. In these circumstances, I will not hold the Exchange Program or another willing adult supervisor liable to replace medicines lost.

I understand that neither the Exchange Program Leader or another willing adult supervisor have any training in the administering of medication. Neither I nor my child will hold either the Exchange Program Leader or another willing adult supervisor who administers medication liable for any results of administering the medication and I and my child acknowledge that the protection afforded by the *Emergency Medical Aid Act* (the Act) shall be available to such person who administers medication to my child and no challenge to the applicability of such Act shall be brought and administering medication by the Exchange Program Leader or another willing adult supervisor shall be conclusively deemed to fall within the ambit of the Act.

I am fully aware of these medicines' effects and side effects and understand that risks involved with my child taking them during this off-site activity. Risks could include but are not limited to missed dosage, too much or too little medication given, dosage not given at the right time, dosage not given under proper circumstances (eg. not with food or water) medicines mixed up with other medicines, side effects, interactions with other medicines that are given in an emergency. Taking these medicines will not inhibit, alter or prevent my child's performance during the activity. Instead, not taking these medicines may inhibit, alter or prevent my child's/charge's performance during the activity.

I hereby consent to the following medicines and dosages to be given to my child at the following times of day under these circumstances.
