

Enroute to Excellence!

Nearly 330 students from 11 high schools across Chinook's Edge came together at the [Community Learning Campus](#) on May 12 to experience the [We Build a Dream](#) daylong event. The national non profit organization helps inform young women about career opportunities they may not have considered, with an end goal of building a diverse workforce. The team traveled outside of their home province of Ontario for the first time, through a federal grant that brought the experience to Chinook's Edge. This event was also made possible with the involvement of our partners, CAREERS: The Next Generation, and the efforts of our division's Learning Services Career Connections team of Jackie Taylor, Brianne Fletcher and Jennifer Fleckenstein. Students attended from H.J. Cody School, Innisfail High, Olds High, Spruce View, Hugh Sutherland, Didsbury, Penhold, Gasoline Alley Career High, Bowden, Sundre and Delburne - and it looks like they're glad they did!
