

Class of 2022!

All Aboard!

Recreating the scene - Julie Fehr, Cade Amundson and Emma Schaitel were photographed for the local paper when they were Grade 1 helpers for Kindergarten Orientation Night at John Wilson Elementary. They celebrated graduation together at Innisfail High last Friday! They remain good friends and have attended school together for their whole lives - one of many bonuses of growing up in a small community!

Bowden Grandview School

Penhold Crossing Secondary School

**Oh the places you will go -
with help from a caring school culture!**

Thias Bessey is graduating from Didsbury High this year, after 'immense help from everyone at the school' who were flexible and supportive in helping him achieve his goals in both school and hockey. Thias has been awarded:

- Top Defensive Forward by the Alberta Elite Hockey League (the only award given in the province)
- AEHL scholarship for top student athletes for marks above 90% average
- Mac's Tournament Scholarship
- Under 18AAA Bisons Markus Lavalee award (for the player who illustrates the most integrous character on the team).

Thias has signed with Drayton Valley in the Alberta Junior Hockey League, and will be playing Junior A next year while writing his SAT's and keeping his options open for university in the following year.

Congratulations to all of our graduates, and to everyone in our Chinook's Edge school community who were right alongside them throughout their K-12 journey!
