

Challenging... Encouraging... Believing
Chinook's Edge School Division will be universally recognized...

... as a collaborative learning community...

Coming together for Physics 30 Diploma perusal at division office.

... where learning is personalized...

The Community Learning Campus shared a year-end celebration for students from across the division who completed the Pre-Employment Certificate program in Heavy Equipment Technician or Welding at Olds College or Red Deer Polytechnic.

... for all students to achieve success...

Gasline Alley Career High honoured the Class of 2022, prior to their relocation to Penhold Crossing.

... as compassionate and innovative...

Eileen and Stewart Ford continue to impact graduating students at Penhold Crossing Secondary School through a series of \$5,000 scholarships each year.

... global citizens.

Didsbury High School graduation.

Thank you for ensuring students come first.
Have a happy summer!
