

Warm welcome on the first day of school!

The Central Office Leadership Team (COLT) had the pleasure of joining students, families and staff at Chinook's Edge schools in Didsbury for the first day of school!

Along for the walk - Cameron and his mom arrived at Ross Ford Elementary with their 12 week old puppy!

New friends - Staff at Ross Ford Elementary welcomed a new family who had just moved from Ontario.

Super selfie - Westglen School Principal, Carolyn Massel, hams it up at the first day assembly.

At the helm - Scott MacDonald, new Principal at Didsbury High, chatted with students in the gathering area.

Connection! After two days of meetings to help prepare for a year of success in Chinook's Edge, the COLT team took some time for a game of lawn bowling.
