## **Chinook's Edge Board approves financial statements**

The Board approved financial statements for the year ending August 31, 2024, as presented by Treasurer Nadeem Altaf. Independent auditors from MNP attended the Board meeting, as well as community members on the Board's audit committee.

The division received \$139,232,915 in revenue, while its expenses were \$138,280,314 for the 2023-24 school year. The reserves, as of August 31, 2024, were \$3.6 million in operations and \$1.5 million in capital.

The audited financial statements will now be filed with Alberta Education and posted to the Chinook's Edge website under "About Us" and "Plans and Reports". The auditing firm, Superintendent Kurt Sacher and the Board of Trustees thanked Treasurer Altaf and the Financial Services team for their work and expertise throughout the year, which resulted in a successful audit. The process verified to Trustees that the Board's priority of directing resources to student learning is being met, also evidenced through the 2023-24 Annual Education Results Report.

## **Annual Education Results Report showcases achievements and commitment to students**

The Board approved the Annual Education Results Report for the 2023-24 school year. The report summarizes achievements of the last year and efforts it will make moving forward. Karyn Barber, Associate Superintendent, presented the report to the Board, highlighting the daily efforts and intention of school staff and all division employees to put students first. Barber acknowledged increasing complexities in classrooms throughout the province, and highlighted the division's response. The Board, Superintendent and other leaders sincerely thanked staff for their work and commitment to students.

The report will be submitted to Alberta Education, and shared on the division's website under "About Us" and "Plans and Reports".
